

# Why Abbeys?

Disadvantaged pupils are making good progress from their starting points. Additional funding for these pupils is used effectively to ensure that they are supported well and thrive.

Pupils model the school's values to a high standard. Everyone is included and valued. A range of effective strategies enhance pupils' spiritual, moral, social and cultural development to ensure that they are well prepared for life in modern Britain.

Pupils with special educational needs and/or disabilities (SEND) and those who are vulnerable are supported to a high standard. Their emotional well-being needs are cared for particularly well by the school's support team.

Abbeys is a Good School!
