

Computing Acceptable Use Rules Letter to Parents/Carers of KS1

October 2023

Dear Parent/Carer,

Computing - including use of the internet, email and mobile technologies, is an integral part of learning in our school. We aim to provide many opportunities for the children to learn using technology and in return expect all children to be safe and responsible when using any ICT.

Please read and discuss these e-safety rules with your child and return the slip at the bottom of this page.

These rules provide an opportunity for further conversations between you and your child about safe and appropriate use of the internet and digital devices, both within and beyond school.

You may wish to use these links to further support you in exploring these concepts with your child:

These are our rules for using the internet and technology devices safely:

Our E-safety Rules

I will only use a computer or device when an adult tells me I can.

I will use the internet safely to support my learning.

I will only share my first name or username and will keep my password and personal information safe and not share it with anyone.

I will always send polite messages to people I know.

I will tell an adult if I see something on the computer or device that makes me unhappy.

I will follow all of these rules.
