

# PARENTPAY SUPPORT FOR SCHOOLS

## How To Pay for Items

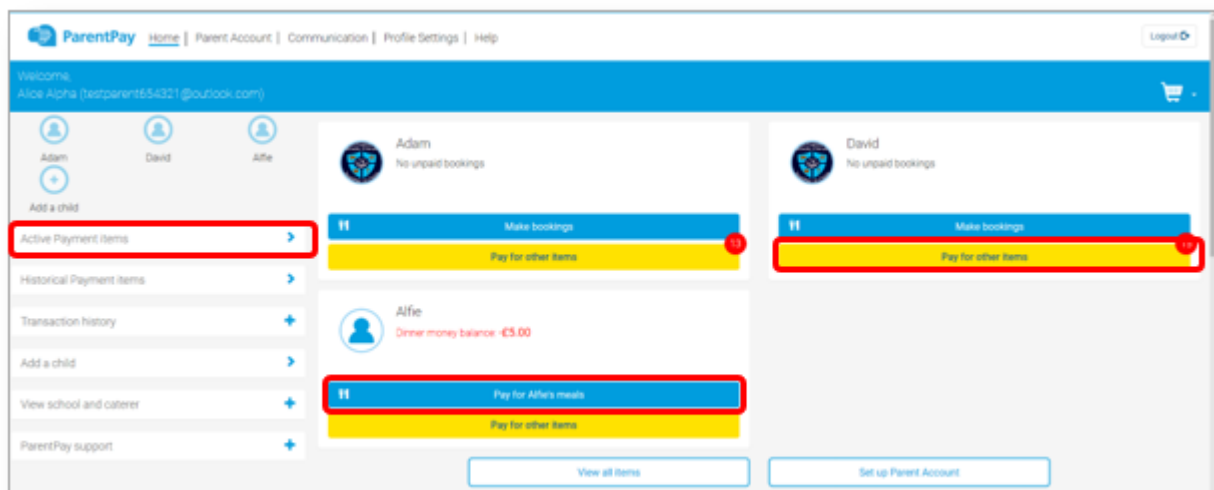

Whenever a school creates an item to pay for (such as a trip, lesson or item) they select which pupils or staff members to assign to the item. This assignment allows parents or carers to log into the ParentPay system and make a payment. To pay for items, please follow the steps below:

1. Navigate to [www.parentpay.com](http://www.parentpay.com) and log into your payer account
2. Select one of the 3 options to view the items for payment

a. **Pay for <child's name="> meals** - located below the child's name in the pupil tiles in the centre of the page. This will only give the option to pay for school meals for a single child.

b. **Pay for other items** - located below the option to pay for meals in the pupil tiles in the centre of the page. This will only provide details of any items assigned this child.

c. **Active payment items** - on computers, this is located in the menu on the left side of the page. For mobile devices, this can be accessed by selecting the menu icon in the top left corner. This will list all items for payment assigned to any children or staff members linked to your payer account.

3. Select **View** against the required item for payment

4. Enter the amount to pay, quantity required, or any other requested information.

5. You can either select **Add to basket** or you can pay via **Bank Transfer** if you have enabled this feature

The screenshot shows a payment interface for 'Alfie - School meals'. At the top right, the balance is £-5.00. Below this, there is a 'Choose payment amount' field with a dropdown menu showing '£ 20.00' and a range from 'Min - £5.00 / Max - £250.00 (set by school)'. There are three main buttons: a yellow 'Bank Transfer' button with a right-pointing arrow and a 'What is this?' link, a blue 'Add to basket' button, and a grey 'Cancel' button.

6. If you have selected **Add to basket**, select the basket icon in the top right corner of the screen to review the payment. You will then have the option to pay via **Parent Account credit**, **Bank Transfer**, **Visa Checkout** or **Other payment method**.

The screenshot shows a '1 item in basket' summary screen. At the top right, there is a red notification bubble with the number '1' and a shopping cart icon. The basket contains one item: 'Alfie - School meals' for £20.00. Below the item list, there is an 'Order summary' section with the following details:

Order summary	
Items:	£20.00
Total:	£20.00
<b>Pay by Parent Account credit:</b>	<b>-£0.00</b>

Below the order summary, there are three payment options: a yellow 'Bank Transfer' button with a right-pointing arrow, a blue 'VISA Checkout' button with a right-pointing arrow and a 'Tell Me More' link, and a blue 'Other payment method' link.

NOTE: If there is any credit in the Parent Account, this will be used to pay for the items. If the total of the items to pay for is greater than the Parent Account balance, the difference can be paid by other methods

7. Complete the payment process. Once the payment has been completed, a confirmation message will be displayed.
